If there is anything wrong, it was the duty of the jury to fully investigate the erthe guilty parties; or to have admitted that the examination proved the unjust to the County Court as it is unsatisfactory to the public. The jury should have returned indictments, or let the matter alone.

The report is accompanied by exhibits, which we have neither space nor inclination to publish, as they merely support what is claimed in it. We give the report in full, without the exhibits.

RUDOLPH ALVE. Foreman. H. I. RIVEBS, Clerk SALT LAKE CITY, April 26,1882.

In examining the accompanying statements of Salt Lake county for the two
years ending March 31, 1881, (marked
Exhibit A.) we find that there were debts
payable by Salt Lake county, as per
Treasurer's report fifty-nine thousand
five hundred and fifty-one dolamount there was charged on account of interestthe report for the year ending May 31, 1880, fifteen thousand eight hundred and forty-three fdollars and ninety four cents (\$15,843.94*, and for the year ending May 21, 1881, ten thousand six hundred and sevency two dollars and seventyand seveney two dollars and seventy-two cents (\$10,672.72).

We examined the county clark and

the county treasurer in regard to the Burrows, at her store on Kimball rate per cent. paid on notes of the Block. The stock is New, Neat and county. They stated that it had been as Fashionable, including a large high as one and one-half (1½) per cent, per month during the year ending May 31. 1980, but it has been constantly deen ad since, so that at the date of last-named report the rate was from ten to twelve per cent. per annum. At

greatly in excess of the amount that would accrue on the indebtedness at the rates named. We therefore requested the county clerk to furnish us with a statement of the amounts owing by the county on May 31, 1881, with a list of the persons to whom the same was due and the rate per cent. paid. In response to this he furnished the accompanying statement, marked exhibit "B," which was not satisfactory to us, and we again requested a statement of the amount reply to this he sent the accompanying

SALT LAKE, April 24, 1882. In regard to the borrowed money, the memorandum furnished you is the best I can do Very respectfully, D. BOUKHOLT.

In the statement marked Exhibit "A" the sum of \$3,787.95 is reported as re-ceved from licenses for the year ending Mey 31, 1880, and \$4,860.03 for the year

ending May 31, 1881. Upon examination of the records of the

or pon examination of the records of the proceedings of the County Court for March 9, 1890, the sum of \$3,149 was reported by A. Dewey, collector of licenses [evidently for 1879] which report was accepted and placed on file. (For a copy of which see Exhibit "F.") The same record shows that on March 1,1881, \$6,867 was reported for the year ending December 31, 1880—(see Exhibits "D" and "E")—which are copies likewise of said A. Dewey's reports now on

file in the county clerk's office, duly accepted and recorded. There is also an item of \$3,787.95 reported as the amount of licenses col-iected between August 10, 1877, and De-

cember 31, 1878, for which no vouchers were produced.

By action of the County Court the compensation of license collector was

fixed at twenty-five per cent. of the gross amount collected. February 28th, 1879; also that on September, 19th, 1878, the sum of \$518.70 If you want Bottle Labels, was appropriated for the same service for If you want Auction Bills,
